

MEMBERS - HELPING - MEMBERS MINI WORKSHOPS

READING DRAFTS FOR BEGINNING MULTI-SHAFT WEAVERS

with Scanlon Romer

TUESDAY, SEPTEMBER 30, 2025

1 - 4 pm after Guild meeting

Weeks Room, GSP Church

Note that the meeting is this week instead the 23rd because of the Jewish holiday.

A pdf of the handout will be sent to you prior to the workshop for you to print out and bring with you.

This workshop will help beginning multi-shaft weavers better understand drafts. We will study the components of drafts, work with interlacements and do drawdowns. We will spend time on how to read older forms of drafts, enabling the weaver to draw from a wider source of drafts. We will also briefly explore iWeavelt and FiberWorks drafting programs.
