# TUCSON HANDWEAVERS & SPINNERS GUILD

*A Fiber Arts Community*  
Founded in 1973

*THSG is an open, welcoming, and inclusive organization  
where anyone interested in the fiber arts can find a home.*

From 35 founding members to our current roster of 200+, the Tucson Handweavers and Spinners Guild continues to honor the traditions of weaving and spinning while embracing emerging textile arts and the diverse fiber interests of our members. Through focused workshops and study groups, we support and encourage members to strive for excellence in the fiber arts. Our members share interests in weaving, spinning, tapestry, rug weaving, felting, knitting, crochet, braiding, beading, wearable art, dyeing, macrame, and basketry.

We welcome people with all levels of experience. Many members are skilled teachers. We share our expertise and talents within our Guild and throughout the Tucson community, offering hands-on programs, demonstrations and exhibitions of the fiber arts. We welcome guests to our meetings which are held in person and on Zoom. Check our website for an up-to-date calendar of our activities.
